

DULT

SUBSTANCE ABUSE PROGRAM

Alternatives utilizes the **MRT®** ** [Moral Reconciliation Therapy] program within the scope of current accepted therapeutic regimens for Substance Abuse/Dependency, Parenting Therapy and Domestic Violence Programs. MRT® is a systematic step by step treatment strategy designed to enhance self image through accountability, responsibility and the development of higher states of moral reasoning. This is the same program that is currently used within drug courts and correctional facilities. All treatment staff are certified to provide the MRT® program.

Alternatives provides chemical dependency assessments for those suspecting that they may have a substance abuse or dependency problem, and for individuals with legal issues associated with chemical use, i.e., DWI, alcohol or drug use associated with another crime. Assessment may be requested by Guardian ad Litem's, DCFS, Domestic Violence Treatment Agencies, or Legal Representation. Alternatives is approved and certified by the state Division of Alcohol and Substance Abuse.

- **Substance abuse/dependency assessments, DWI assessments, deferred prosecution evaluations.**
- **Alternatives provides two year CD programs, and one year programs.**
- **Intensive out patient treatment from intake to continuing care programs, with individualized treatment plans throughout the entire course of treatment.**
- **Alternatives staff is certified to present and teach alcohol and drug information school [ADIS]. Classes are ongoing. In custody classes at this time only.**
- **Reduction in monetary costs to clients, reduced cost for evaluation if already invested in an Alternatives program. All Alternative programs are on a sliding fee scale.**

Unique Program Features:

- ◇ **Close monitoring of clients attending CD and DV programs.**
- ◇ **Early detection and intervention on substance use problems with clients. This enables program staff to address the alcohol - drug connection between violence and substance use/addiction.**
- ◇ **Random urinalysis testing in both CD and DV programs at reasonable rates.**
- ◇ **Chemical dependency assessments for clients in custody.**
