

PARENTING THERAPY

Parenting and Family Values

The program, based on **Moral Reconciliation Training**®, is aimed at assisting parents and caregivers to discover and develop appropriate and effective parenting methods while focusing on underlying family values. During these sessions, parents confront their own parenting styles, values, and methods of discipline. Participants can learn the sources of misbehavior for children and teens and develop effective coping strategies.

Session Learning Goals On

- * Parent Values
- * Parenting Young Children
- * Handling Children's Problems
- * Parenting Adolescents & Teens
- * Problems in Adolescents & Teens
- * The Healthy Family

With Special Anger Management
